To Whom It May Concern:

This letter is to verify that Sarah Wilson Thacker, Steven Snyder, Ryan Broomberg, and Rachel Aguirre are students in good standing currently enrolled in the Dodge College of Film and Media Arts at Chapman University. They are working on a student project tentatively titled "Mr. Brightside" for FTV 697– Graduate Thesis Film Production with Professor Andy Lane. This project is scheduled to shoot November 29 – December 09, 2012 and is not for commercial purposes.

The Conservatory of Motion Pictures at the Dodge College of Film and Media Arts is an accredited graduate film school that enables students to successfully conquer the challenges and expectations of the film and television profession. In recent years, our reputation as a preeminent film school in the nation has grown because of the quality of students we accept and the successes of the films they make. These film projects would not be possible without the generous support from members of our community.

Thank you in advance for your assistance with this production. If you need any further information, do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "SR", written over a large, faint, stylized watermark that says "DRAFT".

STORMWATER: SPECIAL EVENT PERMITS

ENVIRONMENTAL PERMIT CONDITIONS:

1. All necessary precautions shall be taken to prevent trash from entering the storm drain system.
2. A map indicating the location of catch basins on the event site shall be provided to the Permittee by the Los Angeles Harbor Department (LAHD). It shall be the responsibility of the Permittee to coordinate with the LAHD's Director of Environmental Management to ensure that all catch basins on the event site are covered prior to the event or any substantial preparation of the site for the event. Catch basin covers shall not present a hazard to health or property during the event.
3. Adequate trash receptacles shall be provided by the Permittee during the special event.
4. It shall be the responsibility of the Permittee to ensure that the site is properly cleared of trash, debris, and waste following the special event. The Permittee will also ensure that catch basin covers are removed from catch basins once the event and site clean up has been completed.

Permit #F00058680

The Port of Los Angeles
City of Los Angeles Harbor Department
Supplemental to all Harbor Approved Film Permits

Filming on Port property is subject to the following terms and conditions:

1. Smoking and parking of automobiles, not essential to the permitted activity, on wharves or other facilities of the Harbor Department, is prohibited.
2. Premises used and/or occupied during filming activities shall be maintained in a clean and sanitary condition. Debris shall not be allowed to accumulate and shall be promptly removed by permittee.
3. Use of property under the jurisdiction of the Harbor Department is subject to approval of the Harbor Department and/or tenant having lease control of the premises.
4. Permittee shall relieve, indemnify, protect and save harmless the City of Los Angeles, and each and every of its tenants, Boards, officers and employees, from any and all claims and liability for death of or injury to persons or damage to property that may arise from or be caused by the occupation or use of premises by permittee under the provisions of the film permit, or by the negligence of the permittee, its agents, officers or employees.
5. Permittee may furnish its own security services for the protection of permittee's own personal property and equipment. No armed security is permitted on Port property or pursuant to the film permit.
6. Permittee agrees to hire the appropriate Los Angeles Port Police Officer(s) and/or Port Security Officer(s), if deemed necessary by the Port, for the duration of filming activities. The primary duty and function of the officer is to maintain the safety and security of the Port, its tenants, its users, and to ensure that filming activities are conducted safely and within the terms and conditions of the film permit. Officers may be required to enforce tariff, local, or state laws and provide appropriate law enforcement assistance to the permittee during the course of their movie assignment.
7. Permittee agrees to restore premises and any alterations to Harbor Department facilities to their original condition subject to the approval of the Harbor Department.
8. Permittee agrees to obtain any other permit as may be deemed necessary by the Wharfinger Division or by other divisions or sections of the Los Angeles Harbor Department.
9. Filming not to interfere with the operations of the Port.
10. Copies of the Harbor approved Film LA permit must be present at all filming locations and presented to any Harbor Department representative upon demand. Violations of laws, regulations, or the film permit may cause the film permit to be revoked.
11. A Harbor Engineer's Permit is required before altering Port Property
12. The Permittee shall conform to all requirements of the City of Los Angeles Department of Building and Safety, L.A. Fire Department, and any other City, State, or Federal agency requirements.
